

# Pretreatment Training May 4, 2022 Virtual Meeting

## **Pretreatment Training – Wednesday, May 4, 2022**

9:00 am – 11:00 am

### **How to identify Industrial Users on your system, and why you need to do so.**

This training will provide an overview of how and why you need to identify new users within your system. Training will be targeted to unapproved Pretreatment programs as well as smaller approved Pretreatment programs.

*Jay Pimpare (EPA), Kerry Britt (Narragansett Bay Commission),  
Nichole Davis (Hoyle, Tanner & Associates, Inc.),*

11:00 am – 11:30 am
